## Nikon 17-55mm f/2.8G ED-IF AF-S DX Zoom Lens Price & Specs

The Nikon AF-S DX Zoom-NIKKOR 17–55mm f/2.8G IF-ED delivers exceptional performance across its versatile wide-angle to standard zoom range. At 17mm, the lens covers a wide angle of 79°, ideal for architecture, landscapes, cityscapes, travel and group shots; at 55mm, it offers an angle of view similar to our eyes, ideal for portrait work and everyday photography.
