Telesin Protective Case For GoPro Hero 9 & Hero 10

Rs.1,100

Description:

Telesin Protective Case For GoPro Hero 9 Price & Specs

The Telesin brand case for GoPro Hero 9 allows you to transport your equipment safely and comfortably. EVA sponge used for its production increases resistance to shock, and water resistance IP54 makes you can use it in almost any situation. The accessory has been shaped to perfectly fit the shape of your camera. Its additional advantage are special compartments for small accessories.
The special semi-open design of the accessory means that you don't even have to take your camera off the tripod or selfie stick to store it inside. This way you'll never miss an opportunity to capture a unique shot again.
You don't have to worry about the safety of the device placed in the case. The high-grade EVA sponge provides better shock absorption and protects your equipment from scratches. Moreover, the durable PU material is resistant to damage and wear. The Telesin waterproof and dustproof case will therefore serve you well for a long time.
key features

- EVA material, compressive and light.
- Dust-proof and scratch-proof, better protect the camera.
- Half-open zipper design, fast and time saving
