A Full HD version of the HERO7 lineup, the GoPro HERO7 White is the base model of the three HERO7 action cameras and is designed for the adventurer. It offers user-friendly features across the board including a 2" touchscreen, intuitive Touch Zoom shot framing, built-in digital stabilization, voice control, a photo timer, vertical photo capture for seamless integration with social media, QuikStories for automatically transforming footage into short fun videos, and much more. The camera is 33' waterproof without a housing and has a rugged, rubberized enclosure.

The HERO7 White records 1920 x 1440 video at 60 and 30 fps in a 4:3 aspect ratio, and this image can be cropped in the companion GoPro app into a 1080p60/30 image in 16:9. It shoots 10MP photos and provides an easy way of capturing selfies and group photos using to the photo timer feature. The vertical photo capture feature allows you to physically turn the camera into portrait mode and shoot portrait photos that you can directly upload to Instagram, Snapchat, and other destinations without any image resizing. The fun clips you get with QuikStories come with background music already applied and come ready to be shared. Please see the Features section below for a list of all the features.

Note: The HERO7 White does not support a Dive Housing. If you're looking to dive deeper than 33', please check out the HERO7 Black, which is compatible with a 200' GoPro dive housing.

Video Stabilization

The HERO7 White digitally stabilizes your video to remove camera shake so that your footage comes out smoother and steadier.

Shoot Vertically
Flip the camera to the side and capture photos and videos in portrait orientation, perfect for Snapchat and Instagram.

Voice Control
Control your HERO7 White hands-free with voice commands like "GoPro, take a photo" and "GoPro, start recording."

33' Waterproof
The HERO7 White is waterproof down to 33' natively, without a housing.

Intuitive Touchscreen
HERO7 White features three main capture modes with streamlined settings, all accessible via the 2" touchscreen display on the rear.

Touch Zoom
Perfectly frame your photos and videos just by touching the screen (operates in select video modes).

Photo Timer
A photo timer makes it easy to grab a GoPro selfie or group shot with everyone in the frame.

Auto Transfer to Your Phone
Your photos and videos move right to the GoPro app so you can post, text, Tweet, or Snapchat them fast.

QuikStories Enabled
HERO7 White automatically sends your footage to the GoPro app where it transforms into a fun, shareable video with music and effects. (QuikStories requires the GoPro and Quik mobile apps, available free for iOS and Android.)

Auto Backup to the Cloud
Free up space. With a GoPro Plus subscription, you can back up unlimited photos and 250GB of video right to the cloud.

Other Features

- Time-lapse video
- 2-mic processing advanced wind noise reduction
- Video/photo exposure control
- Continuous photo capture
- 2x slo-mo capture

Fast-Charging Ready
With the Supercharger power adapter (sold separately), you can recharge the camera battery fast and get back out there.

GoPro Accessories
The HERO7 White is compatible with over 30 accessories that help you get unique perspectives and capture everything in more creative ways.

GoPro Apps
GoPro and Quik apps allow you to access and edit your GoPro footage with simple-to-

use yet powerful functions. Quik Stories combines the functionality of both apps, automatically downloading GoPro footage from your HERO7 White and composing an easily shareable montage of your adventures on the spot.
